

The background features a large, soft-edged organic shape in a light beige color, set against a slightly darker beige background. In the top-left corner, there is a circular frame containing a line-art branch with several leaves. In the bottom-left corner, there is a larger line-art branch with several leaves. On the right side, there are two line-art leaves, one above the other, and a series of concentric, irregular lines resembling a tree trunk cross-section or a topographic map contour.

Welcome!
